Dear Sirs:

Re: Joseph Jeselon, Clyde, Alberta
- N.E. of 20-60-24-W.4th and
S.W. of 21-60-24- W.4th

Mr. Jeselon filed about 1911 on the S.E. of 20 and about 1916 on the S.W. of 21 and ultimately obtained titles. He died last year; we are acting for his family and it is very important for us to trace his Certificate of Naturalization. We know he applied about 1915 and that he was granted naturalization - most likely just after the First World War, but the certificate cannot be located nor can any record of it at Ottawa.

Would you please tell us what your files show as to when he filed on each of above quarters and when he was granted title, and also what your file shows as to the production of a Naturalization Certificate as to the number and date of the same. Your usual courtesy herein will indeed be very much appreciated. Thank you very much.

Yours faithfully,
DAVIES & LAZERTE.

Eligibility for Soldier Grant Entry

"Soldier" means a person who at any time during the war has been therein employed on active service in a military force:—

(1) of Canada—and has served out of Canada, or wheresoever he may have served as by reason of disability incurred or aggravated as the result of such service in receipt of a pension, or;

(2) of His Majesty or of any of His Majesty's Allies—and being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada in a theatre of actual war, or

(3) of His Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war, and has been otherwise than dishonourably discharged from such force, or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service thereon, and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land, or,

(b) has pursuant to the provisions of the said Act or of the former Act secured from the Board any assistance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land, or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the morning of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land selected, and it is evident from the records that such person by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received.

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described has not been entered for by an adjoining settler on the first day on which such land became available for entry or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Re: Account of Alex Spence,
S.E. 2-34-4-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 seed grain amounting to $260.00 was advanced to Alex Spence on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 260.00	$ 582.13	$ 842.13

The S.E. 2-34-4-W.4th was formerly the pre-emption of the debtor whose entry was cancelled on the 16th of January, 1928, and is still unalienated Crown land held in the right of the Province.

In reply to our questionnaire of the 19th of May, 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"This land is unalienated crown land occupied at present under long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security for our advances. Under the circumstances it is recommended that the indebtedness be cancelled.

Sir,-

N.W. ¼ Sec. 34 Tp. 24 Rge. 10 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir,

Referring to your letter of the 12th March last, with respect to your desire to obtain patent for your homestead, the N.E.¼ of 1-18-5, W. 4th M., and for your pre-emption, the S.E.¼ of 12--18--5, W. 4th M., without being called upon to perform any further settlement duties, I beg to inform you that, in view of the medical testimony furnished, that you have been rendered unfit for further work upon your land owing to wounds received in action, it has been decided to issue patent in your favour for your homestead forthwith, and to issue patent for your pre-emption so soon as the land has been paid for in full.

A copy of this letter will be sent the Agent of Dominion Lands at Medicine Hat for his information.

SE¼ 12--18--5, W4th M.
Pre-emption-Arthur B. Park.
Patented-6th September, 1916.

In reply to your memorandum of the 2nd instant, I may say that according to the records on file here Mr. Park appears to have enlisted in the 10th Overseas Battalion on the 14th of August, 1914, and was discharged on the 15th of February, 1915, as medically unfit.

Combining the residence this man performed upon his homestead and his term of military service, Mr. Park completed six months residence in each of ~~three~~ six years, or sufficient to fulfil the requirements in this regard in connection with both homestead and pre-emption.

He was, however, in default in regard to cultivation, as he only had 23 acres broken instead of the eighty acres required by the Dominion Lands Act. He had fair buildings on the land.

The Certificate of Discharge showed that he was relieved of further military service owing to being medically unfit, and a Medical Certificate signed by W.H. McDonald, M.D., Captain C.A.M.C. reads as follows:-

"This is to certify that Arthur B. Park "formerly of the 10th Battalion No. 20805, "(wounded at Battle of St. Julien Apr. 23rd, "1915) has been examined by me and I find him "unfit, physically, to resume his homestead "duties. His condition is such that he should "remain in Town and under observation of a "physician."

Under the circumstances, it was decided to relieve Mr. Park of further cultivation duties and grant him his patents. The patent for the homestead was issued on the 29th of May, 1916, but the patent for the pre-emption did not issue until 6th of September following, after he had completed the necessary pre-emption payments.

Mr. Cunnell.

Mr. Campbell, Seed Grain Branch, is being asked to advise you direct as to whether or not this land is the subject of any indebtedness incurred for Seed Grain, Fodder or Relief.

It is assumed that final information with respect to any Seed Grain, Fodder and Relief indebtedness which may have been incurred in connection with this land will be obtained by you from the Registrar, Land Titles Office, when making your general search of Title.

DOMINION LANDS ADMINISTRATION

Copy to the A.D.L. Calgary.
Ref. 80535.

Sir,-

Re: S.E. ¼ Sec. 31 Tp. 25 Rge. 15 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

John Van Verdegem, Esq.,
Clivale,
Alberta.

Your obedient servant,

Acting Commissioner of Dominion Lands.

P.S. If you will communicate with the Agent of Dominion Lands at Calgary he will inform you whether any particular quarter section you enquire about is vacant and available for settlement. If you will mention a township he will send you a diagram showing the quarter-sections in such township that are vacant and available for settlement.

A copy of your letter has already been sent the Natural Resources Intelligence Branch of this Department to deal with your request for maps.

Sir,-

N. W. ¼ Sec. 10 Tp. 60 Rge. 20 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

I beg to acknowledge the receipt of your letter of the 11th instant, addressed to the Hon. Minister, together with a statement on Form 711, in defence of the cancellation proceedings outstanding against your entry for the North East ¼ of Section 9, Township 66, Range 20, West of the 4th Meridian, and in reply to say that as you have held this land since May 1911, and have not as yet performed any residence of any account or placed any improvements thereon other than a house worth $25.00, your entry is therefore seriously in default and unless you satisfy the Agent of Dominion Lands at Edmonton before the expiration of the sixty days, namely; 15th July next, that you are in residence with the intention of remaining thereon and otherwise complying with the regulations your entry will in all probability be cancelled.

reserved for the purposes of this scheme.

Sir,

In connection with the proposed investigation to determine the feasibility for reclamation by drainage of land in Athabasca District, I shall be glad if you will reserve in your records, the land included in the schedule attached.

I beg to advise you that reservations placed against land which is already under entry will not affect the rights of the entrant. In cases where the entry is cancelled or abandoned, it is proposed, unless there is a recognized applicant for the cancellation of the entry, to reserve the land for reclamation by drainage. Any application for inspection covering an entry within the tract now being reserved, which may have been received by you previous to the date of the receipt of this letter, may be dealt with by you in the regular way.

APPLICATION FOR ENTRY. With regard to applicants for entry who may appear before you in the near future, claiming that they have incurred expense in locating suitable land within the tract now being reserved, the Reclamation Service will offer no objection to such person or persons being allowed entry, provided you are satisfied by statutory declaration that the applicant did incur expense in good faith in locating land prior to the date on which you received this letter.

You will, of course, understand in regard to the foregoing instructions that applicants must be eligible for entry in other respects, viz., if the land is soldier settlement land application for entry or for cancellation could ONLY be received from a person who has the right to entry within that tract. Please advise me when these reservations have been noted in your records.

RE: Account of Pink H. Brown
N.E. ¼ 9-66-20-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 and 1919 seed grain and relief amounting to $205.75 were advanced to Pink H. Brown on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 205.75	$ 469.71	$ 675.46

Patent was issued in the name of Pink H. Brown for the N.E. ¼ 9-66-20-W.4th on the 23rd of December, 1919, subject to the liens.

In reply to our questionnaire of the 16th of January, 1952, the Secretary-Treasurer of Municipal District of Athabasca No. 103, advised us that there was an accumulation of arrears of taxes amounting to $812.27 outstanding against the land.

According to an Abstract of Title dated the 10th of January, 1956, this quarter-section was acquired in 1953 by the M.D. of Athabasca No. 103, where title still stands subject only to our liens. Apparently the municipality have been unable to dispose of the land by sale. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

AND WHEREAS, pursuant to an application made by the said Francis Lunn, who is residing on the said land, the Soldier Settlement Board of Canada has requested the Minister to transfer the said land to the Board, to be dealt with by it in accordance with the regulations approved by the Governor in Council on the 4th day of June, 1921, P.C. 1321.

WITNESSETH that the undersigned, pursuant to the powers and authorities conferred upon him by the said regulations approved by the Governor in Council on the 4th day of June, 1921, P.C. 1321, declares the right, title and interest of His Majesty in the said land, except mines and minerals whether solid, liquid or gaseous, to be vested in the Soldier Settlement Board of Canada.

DATED at Ottawa this Fifteenth day of February 1926.

Chas. Stewart.

MINISTER OF THE INTERIOR.

File 44-1048.

OTTAWA, 7th February, 1928.

Memorandum -

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re. Francis Lunn,
S.W.¼ 31-39-19-W.4th M. (hsd.)

The above-described land is the unpatented homestead of this settler.

The settler has obtained advances from the Board totalling $1900.00, as follows: stock and equipment, $1200.00; permanent improvements, $700.00. As security the Board holds a charge on the settler's homestead. In addition the Board holds a first mortgage on the S.E.¼ 24-39-20-W.4th, the privately-owned quarter of this settler. The Board holds no other land security in this case.

The Board is informed that the settler has completed the duties in connection with his homestead and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Secretary, Department of the Interior, to the settler, dated the 4th June, 1927.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1021, enable the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented Dominion Land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to his homestead be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the S.W.¼ 31-39-19-W.4th M. be vested in The Soldier Settlement Board.

A blank form for the Minister's signature is attached hereto.

Minister of the Interior,

Re: SE¼ 13-65-21 W. 4th Mer.

William Briant Reed, Your ref.
20744.

In reply to your letter of the 20th June, I may say that this man obtained Homestead entry for the SE¼ 13-65-21 W. 4th Mer., the 1st May, 1911, and stated that he was a citizen of the United States of America. In his sworn statement dated the 7th March, 1916, furnished in support of his application for patent, he declared that he was 46 years of age and furnished a Certificate of Naturalization dated the 10th of January, 1916. The document was returned the 26th May, 1916. Patent issued in his name the 29th June, 1916.

Mr. Reed must have acquired the other land mentioned after patent issued, as the entrant was a man of an entirely different name.

Yours very truly,

Ref.177921.

OTTAWA, 10th August, 1928.

Sir,-

W.½ of Sec. 14 Tp. 64 Rge. 21 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1928, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

John Lloyd Hutton, Esq.,
Colinton,
Alberta.

Your obedient servant,

J. W. MARTIN
Acting Commissioner
of Dominion Lands.

P.S. If you will write the Agent of Dominion Lands at Edmonton describing the quarter-section you would like to secure he will inform you as to its present position and whether there is any possibility of its becoming available for entry.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Dear Sirs: Re Proof of age of Knute Johnson
S.E. ¼, Sec 16, twp 21. R 10, W 4th M

As Mr Johnson does not have a birth certificate we require further proof age for him to qualify for old age pension.

Mr. Johnson is not mentally firm and I am trying to prove his age to the Dept. of Health & Welfare. Will you please send reply directly to me.

From what I can gather from Mr. Johnson he filed on a homestead here in 1910- or possibly 1911. The land he filed on was definitely-- South West ¼ of section 16 twp 21, Range 10, west of the fourth Meridian.

The filing was done in the Medicine Hat land office at the time. Mr Johnson says he was born on Nov. 15, 1861 in Hadrop Norway.

Please let me have a letter stating Mr. Johnsons age, as you have it on your records.

Yours truly

H. A. Olson

Sir,-

N.E. ¼ of Sec. 26 Tp. 17 Rge. 18 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.
